Elemental Style

AIR

FIRE

WATER

EARTH

Air. Fire. Water. Earth. These ancient elements have always held power, but they become all the more dynamic when combined with Cape Cod's spectacular scenery. Builders, architects and landscape architects who inhabit the idyllic peninsula and its islands are harnessing their raw energy and aesthetic like never before. Here follows our ode to the elements, and to the trade professionals channeling them in bold and exciting ways....

A I R

1. Andrew A. Flake, Inc.; Hutker Architects, Inc.; Horiuchi Solien Landscape Architect; Wells and Fox
